Information. Education. Inspiration.

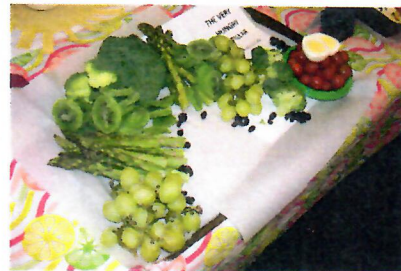

Announcing **Edible Books 2019**

- Step 1: Choose a book.
- Step 2: Use edible items to represent the book title, the book cover, a character, or an event in the book.
- Step 3: Bring your creation to the library to share.

This year's challenge:
Can you represent your book with healthy food?
(Of course cakes are still welcome!)
